NCFE CACHE Level 3

Diploma for Working in the Early Years Sector (Early Years Educator)

Overview

The NCFE CACHE Level 3 Diploma for Working in the Early Years Sector (Early Years Educator) is a valuable qualification for those pursuing a career in the early years sector. This qualification is designed to provide learners with the knowledge, skills, and experience needed to work with children from birth to 5 years in various settings.

Completion of the course qualifies individuals to work as a Level 3 Early Years Educator and be included in the Level 3 Ratios within an early years setting.

This qualification aims to:

- focus on the study of early years education
- offer breadth and depth of study, incorporating a key core of knowledge
- provide opportunities to acquire a number of practical and technical skills.

Teaching

The course will be taught online using Microsoft Teams on one evening per week during term time. Students are required to have access to a laptop. Software and full instructions will be provided. The course is taught through 'live learning sessions', where students will have full interactions with tutors and fellow students.
